"We are auctioning off 8,897 pieces of unclaimed property in the Illinois Treasurer's Online Unclaimed Property Auction because the rightful owners have not come forward to claim the items in more than five years," said Treasurer Rutherford. "The auction has items ranging from coins to fine jewelry. There is something for everyone."

All items for sale in this auction have been appraised by an outside vendor, and the sale price of each lot must reach at least 75 percent of the appraised value.

Buyers are responsible for purchasing their auction winnings with either a Visa or MasterCard. Other arrangements will be available for purchases over \$10,000. Additionally, a 2 percent administrative fee will be assessed, and buyers are required to pay for shipping through the preferred list of shippers.

Equipment no longer needed by the state of Illinois and registered local governments is placed on iBid for sale to the highest bidder. Each week, surplus equipment such as vehicles, office furniture, outdoor equipment, tools, machine shop equipment, electronics, and much more is offered to more than 13,500 registered bidders. iBid's low sales fees enable state and local governments to obtain a higher return on taxpayer funded equipment. Since its inception, iBid has sold more than \$6 million in surplus property. To learn more please visit <http://cms.illinois.gov>.
